OFFICIAL AUTHORIZATION AND APPOINTMENT LETTER
For the Establishment and Operation of GCSME Korea Branch

TO	Mr. Lee Duk Young, Proposed Head of GCSME Korea Branch
FROM	GCSME UK Headquarters, represented by Chairman Mobin Rafiq
SUBJECT	Authorization for GCSME Korea Branch and Korea-Based Strategic Industry Project Structure
REFERENCE	GCSME Korea Branch / World Making Members Co., Ltd.

Dear Mr. Lee Duk Young,

Authorization and Appointment

On behalf of GCSME UK Headquarters, I, Chairman Mobin Rafiq, hereby officially authorize the establishment and operation of the GCSME Korea Branch under the leadership of Mr. Lee Duk Young. Through this authorization, Mr. Lee Duk Young is appointed as the official Head of GCSME Korea Branch and is granted the responsibility to organize, develop, and expand GCSME-related business activities in the Republic of Korea and in connection with international cooperation projects.

Scope of Korean Strategic Industry Development

The GCSME Korea Branch shall focus on building a broad human, industrial, institutional, and strategic network covering approximately twenty major Korean industrial sectors, including strategic industries, advanced technology sectors, infrastructure-related sectors, energy, agriculture, water, environment, smart city, finance, construction, medical, education, culture, and other relevant business areas.

Detailed Industrial Subdivision and Human Infrastructure

The GCSME Korea Branch shall be responsible for subdividing these twenty major industrial sectors into approximately sixty-four detailed business and industrial categories. The purpose of this subdivision is to establish practical human infrastructure, professional networks, execution channels, and project-based cooperation structures that can support real business development and international cooperation.

Designation of Execution Corporation

For the practical execution of these business activities, World Making Members Co., Ltd. is hereby designated as the principal execution corporation responsible for implementing, coordinating, and developing the detailed industrial projects connected to GCSME Korea Branch.

Operational Authority

Accordingly, GCSME Korea Branch, under the leadership of Mr. Lee Duk Young, may organize project teams, industry partners, expert groups, corporate participants, government-related cooperation channels, embassy-related cooperation channels, and overseas business development structures for the purpose of creating practical business opportunities and project revenues.

Purpose and Effect

This authorization is intended to establish a clear official foundation for GCSME Korea Branch to act as the Korean strategic platform of GCSME UK Headquarters, and to enable the Korea Branch to cooperate with Korean companies, Korean technology holders, government-related organizations, overseas embassies, international institutions, investors, and business partners.

Compliance and Reputation

The GCSME Korea Branch shall conduct its activities in good faith, in accordance with applicable laws and regulations, and in a manner that protects the reputation, credibility, and international standing of GCSME UK Headquarters.
